6-8 inch seedlings	5.00	40.00	35.00

A fine block of Norway Spruce. Also showing two 10-12 inch plants in Azalia pots. Our friends laugh because we transplant spruce by the million. Do you realize that when the other fellow cannot sell his fine stock, this spruce will grow into as much money, very much quicker and will move as living Christmas trees when other sales are slack.

### NORWAY SPRUCE
